## Important NEWS UPDATE

There is a new online nomination process for all BSA and QSA events. To access this system all swimmers interested in swimming in these events will need to have paid their membership fees for the 2011/2012 season enabling them to be affiliated with Swimming Qld.

There are a number of events coming up shortly where the self-nomination process needs to be accessed, the first being the Brisbane Short Course Championships on August 6<sup>th</sup> & 7<sup>th</sup>. Membership forms and payment receipts **MUST** be received by Thursday 21<sup>st</sup> July to enable us to process your membership in time for the close of nominations.

Visit the website [www.jhswimclub.com](http://www.jhswimclub.com) where you will find the membership form to download and all the instructions for payment and the online self-nomination instructions.
