#### **IMPORTANT 13 Year old information**

Due to the State Age policy on 13 year old swimmers in primary schools, the Primary Regional Carnival will not hold 13 year old events. These 13 year old swimmers will compete at our District Carnival and if they meet Secondary Regional Qualifying Standards they should be nominated to the Secondary Carnival.

*Note: The secondary carnival includes several other events that are not part of the Primary Events List. If we have any promising 13 year olds we will get the Secondary Carnival event list and take it from there.*

## **Carnival Format**

At the District Carnival there will be no finals. All heats will be timed and the children will be selected on times.

#### **50/100 metres and medley:**

Children will be selected with Heat 1 being the slowest and the final Heat in each event being the fastest.

**Relays:** Relays are to be nominated by email on the attachment provided and sent back with the nomination file.

**Only one relay team per school per event.**
